Tutor positions are classified as exempt positions by FLSA standards. This means:

Tutors positions are not eligible for overtime for hours worked over 40 hours in a work week.

If Tutors work other positions that are classified non-exempt (eligible for overtime pay), those department HR administrators must update their position to match the exempt title.

OASIS Tutors have two positions with rates for individual and group sessions.

- \$16.90 single sessions
- \$20.23 group sessions
